Amelia Table Lamp

By Savoy House

Description

The Amelia table lamp from Coco & Dash for Savoy House brings vintage-inspired floral artistry to the home through richly layered decorative detail. Inspired by classic European tole chandeliers, sculptural brass and iron sunflowers form an elegant base filled with warmth, texture, and romantic character. The Warm Brass finish enhances the lamp's luminous quality while reinforcing its timeless, collected appeal. Amelia makes a graceful statement in bedrooms, living rooms, reading corners, and other thoughtfully styled interiors. Amelia is 29 inch in height and 16 inch in width. Bulb not included.
