Josephine Table Lamp

By Savoy House

Description

The Josephine table lamp from Coco & Dash for Savoy House brings relaxed coastal sophistication to the home through richly layered texture and artisan-inspired detail. Its curving white ceramic body is accented with woven rattan in an eye-catching crosshatch pattern that recalls the look of vintage glass fishing floats. A crisp white linen shade and Warm Brass accents complete the design with polished warmth and timeless balance. Josephine's airy, collected aesthetic makes it a natural fit for coastal, organic modern, and transitional interiors alike.
