Albert Table Lamp

By Savoy House

Description

The Albert table lamp from Coco & Dash for Savoy House pairs sleek tailoring with timeless sophistication. Its vegan leather-wrapped column is accented with detailed stitching that lends the design a polished, furniture-inspired character. A fine weave linen shade balances the darker tones with soft texture and warm illumination while Warm Brass accents provide a refined finishing touch. With its crisp contrast and tailored silhouette, Albert is especially striking in contemporary, transitional, and collected interiors alike. Albert is 30 inch in height and 17 inch in width. Bulb not included.
