Oliver Table Lamp

By Savoy House

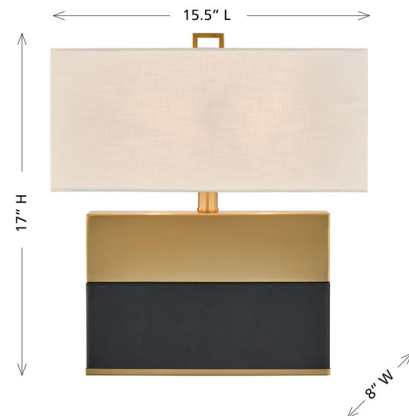

Description

The Oliver table lamp from Coco & Dash for Savoy House pairs crisp geometry with richly layered texture for a look that is modern and refined. Its rectangular Warm Brass body is detailed with a finely stitched vegan leather accent that adds tailored contrast and sophisticated dimension. A wide rectangular fine white linen shade balances the design with soft illumination and understated elegance. Compact yet visually striking, Oliver complements contemporary, transitional, and collected interiors beautifully.

Shown in honey brown / black / white
