Viola Table Lamp

By Savoy House

Description

The Viola table lamp from Coco & Dash for Savoy House brings sculptural texture and expressive color together in a beautifully refined design. Its Pacific Coast ceramic body is artfully twisted into a classic gourd silhouette and detailed with deeply rippled texture that creates striking movement and dimension throughout the piece. A matching Pacific Coast finial atop the crisp white linen shade reinforces the lamp's thoughtful, collected aesthetic, while Warm Brass accents add polished contrast and warmth.

Specifications
