Betty Table Lamp

By Savoy House

Description

Designed by Coco & Dash for Savoy House, the Betty table lamp pairs playful sculptural form with polished sophistication. Its softly twisted high-gloss Sugar Swizzle ceramic center column introduces graceful movement and glossy dimension, beautifully complemented by a crisp white linen shade. A coordinating Sugar Swizzle finial reinforces the lamp's thoughtfully tailored design, while Warm Brass accents add warmth and refined contrast throughout the piece. Betty brings inviting texture and artistic character to bedrooms, living spaces, reading nooks, and other thoughtfully styled interiors. Betty is 29.5 inch in height and 17 inch in width. Bulb not included.
