Amiena LED Ceiling Fandelier

By Savoy House

Description

The Savoy House Amiena Fan D'Lier brings sculptural elegance into motion, with sweeping ribbons in a finish that seems to swirl around the light. Integrated LED illumination fills the fixture with a bright, inviting glow, while the efficient DC motor keeps air flowing quietly and smoothly. An included handheld remote control adds easy, at-your-fingertips comfort. This innovative design is part of the Savoy House Fan D'Lier collection - exclusive creations that fuse the beauty of a chandelier with the refreshing performance of a ceiling fan.
