Archer LED Ceiling Fandelier

By Savoy House

Description

The Savoy House Archer Fan D'Lier blends a polished, traditional look with a modern twist. Its black vegan leather band contrasts strikingly with the gleam of the finish, creating a statement piece that draws the eye. Soft, integrated LED light glows from within and a quiet, efficient DC motor keeps the space comfortably circulated. A handheld remote puts full control within reach. As part of the signature Savoy House Fan D'Lier collection, it reimagines comfort and style by uniting the expressive beauty of a chandelier with the utility of a ceiling fan.
