Canterbury LED Ceiling Fandelier

By Savoy House

Description

Bring refined presence and refreshing comfort to your space with the Savoy House Canterbury Fan D'Lier. Frosted glass panels glow warmly against the Noble Brass finish, giving the design an elegant, Art Decoinspired character. Four included LED bulbs provide bright and welcoming illumination while the quiet, efficient DC motor keeps air moving smoothly. A handheld remote offers effortless control over both fan and light. As part of the Savoy House Fan D'Lier collection, it merges the sophistication of a chandelier with the everyday comfort of a ceiling fan to bring beauty and performance together in a uniquely stylish way.
