Rosa Swing Arm Wall Light

By Savoy House

Description

The Savoy House Rosa 1-light sconce was designed by award-winning interior designer and TV host Breegan Jane. Named after the Spanish word for rose, this sconce blooms beautifully with a scalloped white string shade that brings in lots of terrifically touchable texture and relaxed organic appeal. The Noble Brass finish adds shimmer and shine. An adjustable arm lets you bring the light exactly where you need it and, for even more convenience, this sconce can be plugged in or hardwired.
