Silencio Wall Sconce

By Savoy House

Description

The Savoy House Silencio 2-light sconce was designed by Breegan Jane, an award-winning interior designer and TV host. Its textured, handwoven shades, crafted from natural water hyacinth, bring a soulful, artisan-crafted presence to any space. The knots and fibers catch the light in a way that feels serene, evocative, and grounded in nature. A Riviera Brass finish adds bold warmth that elevates the organic materials.
