Milio Full Solar Bollard Light

By Zafferano America

Description

Stylish and functional, the Milio Full Solar Bollard Light is the perfect addition to a pathway or garden. An integrated solar panel along the top charges the fixture, with a daylight sensor that allows the light to automatically turn on from dusk until dawn. The light is directed out from both sides to target a path or wide area. The path light takes 6 to 8 hours to charge and runs for 16 to 18 hours.
