Lunelle Pendant

By Z-Lite

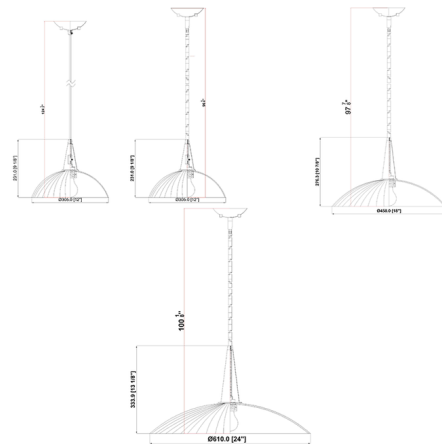

Description

Featuring a ribbed glass pattern inspired by shimmering slivers of moonlight, Lunelle's shade is balanced by the geometry of a conical decorative accent and a rounded ceiling canopy. Gorgeous clear ribbed glass forms a shade with a textural impact, making this pendant light a solid choice for custom interior settings. A bold finish over steel construction with subtle accents creates contrast and drama, perfect for setting apart a single space in need of soft lighting.
