Fortis Outdoor Post Light with Square Post/Stepped Base By Z-Lite

Description

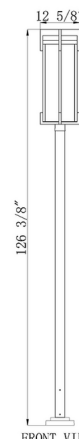

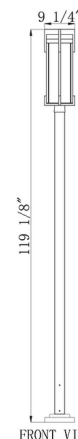

Thick, reeded glass defines the stately character of the Fortis collection and creates a layered visual effect while softly diffusing the light for a warm, inviting glow. Dimension and style go hand in hand in a geometric lantern-inspired outdoor post mounted fixture. Complete the sophisticated look of a light featuring sand black aluminum construction with angular and linear detail, as clear ribbed glass diffuses ambient lighting that brings a soft glow around the clock.
