Fortis Outdoor Wall Light By Z-Lite

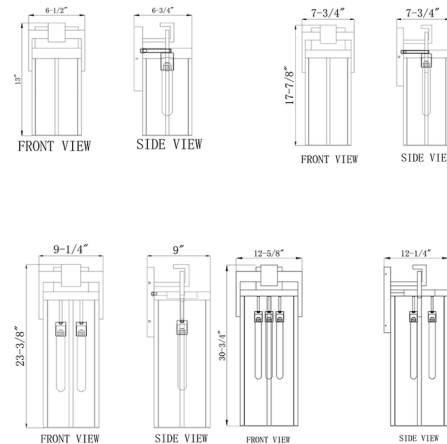

Description

Thick, reeded glass defines the stately character of the Fortis collection and creates a layered visual effect while softly diffusing the light for a warm, inviting glow. Embrace a look with clean lines and versatile style in this outdoor wall light perfect for illuminating porches, decks, and outbuildings. Textural effects flow from clear ribbed glass panels housed in sand black aluminum framing, mimicking a lantern design with more geometric flavor.

Shown in sand black / clear ribbed
