Lumina Chandelier

By Z-Lite

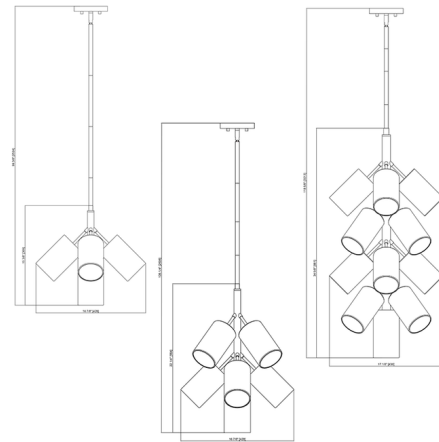

Description

The classic Mid-Century Modern aesthetic is elevated by Lumina's signature cylindrical shades. Clustered in a bold vertical arrangement, this chandelier brings a compelling sense of movement to foyers, dining spaces, and rooms designed for gathering. The cylindrical shades create focused points of light within a sculptural composition, giving the fixture a confident presence that feels modern and architectural. Its finish adds depth and drama, making the room feel intentional from the moment the eye moves upward.
