Lumina Adjustable Table Lamp

By Z-Lite

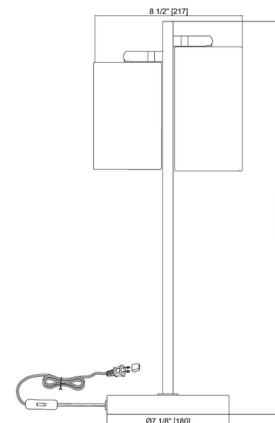

Description

The classic Mid-Century Modern aesthetic is elevated by Lumina's signature cylindrical shades. On a desk, nightstand, or side table, this table lamp brings focused character through twin angled shades and a clean vertical stance. The design feels tailored and expressive, giving smaller spaces the same considered presence often reserved for larger statement lighting. Its dark finish adds a handsome note to bedrooms, offices, and living areas, creating a practical accent with unmistakable style.
