Nextra Wall Sconce

By Z-Lite

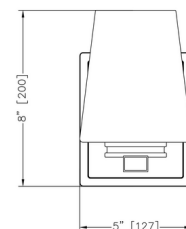

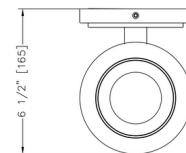

Description

The stepped backplate and gently shaped opal glass shades elevate Nextra's classic design. Beside a mirror, along a hallway, or near a bedside, this wall sconce brings a clean and gracious accent with softly shaped white opal glass. The stepped backplate gives the design a tailored foundation, while the luminous shade helps the surrounding space feel calm and cared for. Its balanced character works beautifully in bathrooms, powder rooms, and transitional interiors where refinement should feel effortless.
