Auden Wall Sconce

By Z-Lite

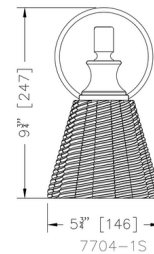

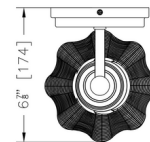

Description

The Auden series offers a flirty, feminine touch with a scalloped bottom edge that evokes the movement of a flounced skirt, bringing a sense of carefree lightness to the glass shades. Beside a mirror or along a hallway, this wall sconce introduces a graceful accent through clear glass with a delicately fluted lower edge. The metal finish feels smooth and understated, allowing the textured glass to bring sparkle and charm to the wall. Its single-light design suits bathrooms, bedrooms, and passageways that benefit from a small detail with personality and poise.
