PostKrisi Wall Sconce - Overstock

By Catellani & Smith

Description

The PostKrisi collection was Enzo Catellani's first foray into working with fiberglass. While he was initially intrigued by the material's light weight and strength, he was captivated by the shadows cast as it interacts with light. The PostKrisi Wall Sconce consists of a fiberglass dome bisected by a nickel-plated bar for an understated accent. The rough edge of the fiberglass shade causes an irregularly shaped shadow to be cast onto the wall to create a striking display of light and shadow. Includes mounting plate in Nickel finish to cover standard US junction box.

Specifications

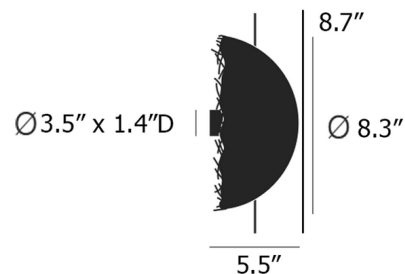

COLOR White Painted Fiberglass
BODY FINISH Nickel
WATTAGE 2W
DIMMER Not Included
DIMENSIONS 8.27"W x 8.7"H x 5.51"D
INTEGRATED LED MODULE 2 x LED/1W/120V LED
COUNTRY OF ORIGIN Italy

Technical Information

COLOR RENDERING 85 CRI
LAMP COLOR 2800K
LUMENS/WATT 280.00
LUMINOUS FLUX 280 lumens

Shown in nickel / white painted fiberglass
