Bass Bluetooth Indoor / Outdoor LED Coffee Table

By Smart & Green

Description

The Bass Bluetooth Wireless Lighted Coffee Table is great for cocktails. Featuring LED technology, it's both clever and practical. Includes a rechargeable battery with a charging dock that gives you 8 to 20 hours of use per charge depending on the light mode being used. Features red, blue and green the pre-defined colors. Dynamic mode with unlimited colors changing automatically. Also features yellow flickering candle effect. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. This portable lamp has up to 24 hours of power in one charge. Charges in 6 hours. Largest size has a Plexiglass tray. 50,000 hours life expectancy. Efficient energy saving light. Bluetooth connected. Note: This product is safe for use near pools and other wet locations, but it is not intended to be immersed or float on water. Do not charge when wet.
