## PH 4 1/2 - 3 1/2 Glass Table Lamp By Louis Poulsen

## Description

PH 4 1/2 - 3 1/2 Glass Table Lamp, designed by Poul Henningsen, is based on the principle of a reflective three shade system, which directs the majority of the light downwards. The shades are made of hand-blown opal three layer glass, which is glossy on top and sandblasted matte on the underside, giving a soft light distribution.

Available with Opal glass and a Chrome finish. Includes 108 inch black cord with inline on / off switch.

Shown in chrome / opal
