**DESCRIPTION**

Martinsville Outdoor Post is available a Black or Corinthian Bronze finish with Seeded Clear Glass. Straightforward lines and a classic Corinthian bronze finish make these outdoor lanterns too appealing. Notice how the hexagonal design is balanced from top to bottom, while the clear seeded glass reflects the light so beautifully, and the stainless steel construction, and die cast aluminum construction make them durable and timeless. Three 60 watt, 120 volt B10/Candelabra base lamps are required but not included. 10.25 inch width x 22.25 inch height. ETL listed for Wet Locations
