One Color-Select Textured Oval Outdoor Wall Light

By Avenue Lighting

Description

The One Textured Oval Outdoor Wall Light blends natural texture with modern design. When illuminated, light radiates across the textured backplate to create a sense of depth and provide a soft, glare-free glow. The powder-coated, marine-grade finish makes this a durable option for harsh outdoor environments. LED color selectable options include 2700K, 3000K, and 4000K.

Shown in dark bronze / brushed brass
