Beran Vertical Pendant

By Bert Frank

Description

The Beran Vertical Pendant features a natural alabaster diffuser supported by a sleek circular frame for a clean modern look. Light from the integrated LED shines through the translucent alabaster to produce a soft, warm glow. The alabaster adds a natural texture to the minimalist silhouette for a calming and welcoming expression. Available with Integrated Driver in a cylindrical canopy or Remote Driver. Note: The Overall Height from the ceiling to the bottom of the fixture is not field adjustable and must be specified to order, with rod lengths up to 60 inches. Please include your desired overall height in the Additional Instructions / Notes section during checkout.
