

DESIGNER

Poul Henningsen

BRAND

Louis Poulsen

DESCRIPTION

The PH Snowball Pendant, designed by Poul Henningsen, emits comfortable glare-free diffuse light. Matte painted under surfaces and glossy top surfaces result in an attractive reflection of the diffused light, creating uniform light distribution around the fixture. When the light is switched on, the top portion is illuminated while the bottom part reflects the light. Available in White with a Chrome finish. UL and cUL listed.

Shown in: Chrome / White
