Plume Chandelier / Wall Sconce Shade

By Currey & Company

Description

A soft blue fan-inspired pattern gives this tapered chandelier shade a light, graphic touch. Created through the partnership between Currey & Company and Lacefield Designs, the shade brings a subtle decorative pattern to the classic tapered silhouette, adding visual interest without overwhelming the fixture. Each shade sold separately. Clips on B10 candelabra base bulbs. Confirm fixture height and width clearance to ensure compatibility.

Shown in plume green
