Ashford X Pattern Outdoor Pendant

By Innovations Lighting

Description

The Ashford Pattern Pendant brings timeless lantern inspired elegance to your exterior space. Its distinctive pyramid roof and clean, classic silhouette are accented by an X pattern detail across the glass panels, creating a warm, inviting glow and casting beautifully patterned shadows across your surrounding area.These fixtures are designed to age and develop a natural patina over time. Subtle variations in tint and color are to be expected, as each finish is individually hand applied. These natural variations contribute to the uniqueness of every fixture and will continue to deepen and darken with age.
