Ellington Outdoor Pendant

By Innovations Lighting

Description

The Ellington Outdoor Pendant brings timeless coastal charm to your exterior space. Classic onion glass is beautifully encased within a hand finished cage and frame, creating a warm, inviting glow that casts soft shadows across your surrounding area.These fixtures are designed to age and develop a natural patina over time. Subtle variations in tint and color are to be expected, as each finish is individually hand applied. These natural variations contribute to the uniqueness of every fixture and will continue to deepen and darken with age.
