Durham Outdoor Pendant

By Innovations Lighting

Description

The Durham Outdoor Pendant combines timeless elegance with lasting durability, bringing refined character to your exterior space. Graceful curves and crisp, clean lines define the frame, while glass panels softly diffuse the light, casting a warm, inviting glow across your surrounding area. Features an open bottom for easy bulb replacement.These fixtures are designed to age and develop a natural patina over time. Subtle variations in tint and color are to be expected, as each finish is individually hand applied. These natural variations contribute to the uniqueness of every fixture and will continue to deepen and darken with age.
