Norfield Outdoor Pendant

By Innovations Lighting

Description

The Norfield Outdoor Pendant adds the timeless appeal of a classic lantern to your exterior space. Its clean, geometric frame is paired with glass panels that create a warm, inviting glow, casting soft shadows and illuminating your surrounding area with understated elegance. Features a latched door on the front of the cage for easy bulb replacement. These fixtures are designed to age and develop a natural patina over time. Subtle variations in tint and color are to be expected, as each finish is individually hand applied. These natural variations contribute to the uniqueness of every fixture and will continue to deepen and darken with age.
