Reglet Ceramic Stool

By Jamie Young Company

Description

The Reglet Ceramic Stool brings sculptural elegance and versatile function to any space. Crafted from ceramic, its distinctive form makes a beautiful statement while serving effortlessly as a drink or accent table, indoors or out. It can also provide convenient extra seating when guests arrive. A rich, finish adds depth and warmth, with subtle highlights and lowlights created by a carefully applied reactive glaze. Because the glaze reacts uniquely on each piece, every stool has its own distinctive character.
