Heron Floor Mirror

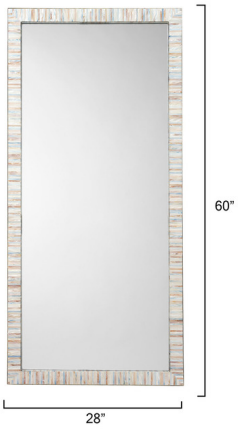

By Jamie Young Company

Description

The Heron Floor Mirror brings an alluring, iridescent beauty to any interior. Its frame is richly adorned with multicolored strips of natural mother-of-pearl, each piece carefully hand-placed by skilled artisans to create a one of a kind work of art. This piece makes a striking statement in a living room, bedroom, or grand entry. Effortlessly elegant yet inviting, it can be casually leaned against a wall for a sophisticated, relaxed look that adds character and beauty to your space. Place against a bare wall or hang horizontally or vertically with the included D Ring hangers.
