## Cape Seagrass Basket

By Jamie Young Company

### Description

The Cape Seagrass Basket brings timeless texture and effortless style to virtually any interior. Its soft, natural fibers are hand-dyed a rich navy and accented with three bands of the reed's natural color, creating a refined contrast and distinctive character. The classic silhouette complements a wide range of design styles, from coastal and bohemian to maximalist and modern. Each basket is individually crafted, with subtle variations in color and shape that celebrate the natural beauty of the seagrass and make every piece one of a kind.
