Grammoluce Table Lamp

By Martinelli Luce

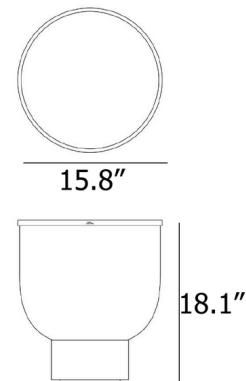

Description

The Grammoluce Table Lamp offers unique functionality that encourages the user to interact with the lamp. Grammoluce's bowl-shaped glass shade is covered on top by a layer of Lycra fabric. Grammoluce includes three glass spheres that can be placed on top of the Lycra to control the brightness and color temperature of the lamp. As more weight is added and the fabric droops deeper, the lamp brightens and cools in color. Less weight results in dimmer light with a warm, amber hue. When not in use, the spheres can be placed on the included tray to add a sculptural, decorative accent to the space.

Shown in matte black / clear

Specifications

COLOR Clear
BODY FINISH Matte Black
WATTAGE 25.4W
DIMMER Included
DIMENSIONS 15.75"W x 18.1"H
INTEGRATED LED MODULE 1 x LED/25.4W/120V LED

Technical Information

LAMP COLOR 2700K Warm Dim
