Float Half Dome Arc Floor Lamp

By Nova of California

Description

The Half Dome Arc Lamp is a striking Modern arc lamp designed by Peter Morelli in 1960. Its sweeping silhouette combines a steel finish with a sturdy base, creating a commanding presence in any living room or home office. The steel shade adds a touch of elegance and diffuses soft ambient light, making it ideal for reading or relaxed conversations. Backed by NOVA's century-long commitment to quality, this lamp embodies both style and function. The built-in dimmer switch allows for personalized lighting, letting you adjust the ambiance to suit any occasion. Note: Not all options are available
