Float Scallop Arc Floor Lamp

By Nova of California

Description

The Scallop Arc Lamp is a Modern arc lamp in NOVA's lighting line, featuring a steel body. Designed by Peter Morelli in 1960, this lamp showcases a sweeping, gracefully arched silhouette that makes a bold statement in any room. The white linen drum shade with an opal diffuser provides soft ambient light, making it ideal for living rooms, bedrooms, or home offices. Its modern design is complemented by NOVA's century-long commitment to quality craftsmanship, ensuring a lasting investment in both design and light. This arc lamp includes a built-in dimmer switch located on the column stem, allowing for personalized light intensity to suit any occasion.
