Scallop Ceiling Light

By Nova of California

Description

The Scallop Flush Mount is a modern lighting fixture in NOVA's collection, featuring a steel body and a drum-shaped white linen shade. Designed by the NOVA Design Team in 2026, this flush mount seamlessly integrates into any contemporary living space, offering a sleek and unobtrusive profile. Its finish complements the textured white linen shade, creating a sophisticated aesthetic that enhances the ambiance of your hallway, dining room, or bedroom. Backed by NOVA's century-long commitment to quality, this fixture is both a functional and decorative piece. Equipped with an ELV dimmer, the Scallop Flush Mount offers adjustable lighting to suit your mood and setting.
