Tambo Arc Floor Lamp w/Scallop Shade

By Nova of California

Description

The Tambo Arc Lamp is a striking Mid-Century Modern floor lamp designed by Peter Morelli in 1984. With its sweeping arc silhouette, it combines a steel body with a handcrafted tambour wooden base, creating a harmonious blend of materials. The lamp features a white steel drum shade that diffuses warm light, making it an ideal statement piece for living rooms, bedrooms, or home offices. Designed and crafted in Venice Beach, California, this lamp embodies NOVA's heritage of quality craftsmanship. This lamp includes a foot slide dimmer switch for easy adjustment of lighting intensity, allowing you to tailor the ambiance to your mood.
