Boreas Color-Select Outdoor Wall Sconce By Quorum

Description

Designed to play with light, the Boreas Color-Select Outdoor Wall Sconce creates an atmospheric display with its stacked water glass. Boreas is an excellent lighting choice for a modern facade, outdoor corridor, or contemporary back patio. Featuring an external user-selectable CCT switch (switch from 2700K/3000K/4000K/5000K/6500K), Boreas offers adaptable color temperature control for customized ambiance, making it a versatile choice for residential and hospitality environments that demand both style and performance.
