Privet Pendant

By Quorum

Description

Capturing the essence of botanical forms, the Privet Pendant is a large-scale metal chandelier layered with two-tone concave circular pieces that shape its sculptural frame. The plant-inspired geometry casts a soft, dappled light that brings depth, movement, and natural rhythms to refined interiors. Privet introduces a sophisticated connection to the natural world, reinterpreted through elevated, contemporary lighting for statement dining spaces, grand entryways, and luxury hospitality settings.
