Esall Table Lamp

By Uttermost

Description

The Esall Table Lamp introduces tactile depth and inviting sophistication into residential interiors. The rich tonal depth of its ceramic glaze captures ambient light to create a cozy visual anchor, complemented by warm accents and a casual linen drum shade that adds a relaxed, welcoming glow to bedside tables, living rooms, and reading nooks. Due to the nature of fired glazes on ceramics, finishes will vary slightly. Includes 3-way socket switch.
