Holsted Tier Chandelier

By Visual Comfort Studio

DAMP

Description

The Holsted Tier Chandelier draws inspiration from vintage midcentury Scandinavian cast glass votives. Its refined steel frame is paired with thick, rippled glass forms featuring softly irregular contours, adding depth and subtle movement. When illuminated, the textured glass casts a warm, atmospheric glow and delicate shadows throughout the room.Note: Due to the weight of this fixture, additional ceiling support is required.

Shown in aged iron / clear

Specifications
