Coldwater Smart Ceiling Fan with Light By Wind River

Description

The Coldwater Smart Ceiling Fan with Light combines sleek design with everyday versatility. Its low-profile flush mount makes it ideal for spaces with lower ceilings, while the integrated dimmable LED light brightens any setting. Equipped with Smart by Bond technology, Coldwater works seamlessly with Amazon Alexa, Google Home, and other smart home devices for easy voice and app-based control. With its six-blade stylish design, a quiet 3-speed motor, and a convenient remote, it brings modern performance to both indoor and covered outdoor spaces.
