Carlton Dining Chair

By Roll & Hill

Description

The Carlton Dining Chair offers a stylish silhouette with its elegant combination of contrasting shapes. Carlton's wooden arms and back recall the faceted sides of cut diamond, while the plush cushions of the seat offer gentle, soft curves. With its sculptural prescence, Carlton is perfectly suited for a formal interior, although its cozy, welcoming embrace also feels at home in a casual space. Note: A variety of upholstery options in Leather, Linen, or Velvet are available upon request.
