LP40 Series Lopro Heater 4000W Patio Heater By Eurofase

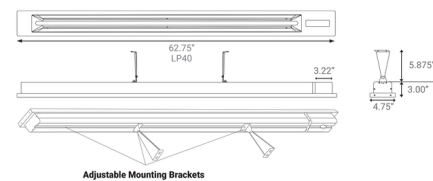

Description

The LP30 Series Lopro Electric 4000W Patio Heater effortlessly brings exceptional style, warmth, and comfort to your outdoor spaces. All Eurofase patio heaters boast over 90% energy efficiency, directing heat precisely to warm people and objects rather than the air. Suitable for wall or ceiling mount installation, requiring minimal clearance from combustible materials. This 4000 Watt heater warms an approximate 10 x 10 foot area and is recommended to be installed 7ft-9in off the ground. Includes one 4000W quartz heating element that can be replaced as needed.
