Vellura Pendant Heater w/ Plug

By Eurofase

Description

The Vellura Pendant Heater redefines the art of outdoor living, where warmth and light come together in perfect harmony. Each pendant combines an LED light for general illumination, with a 1500W carbon heating element that covers a 5x5 foot area. The fabric shade is designed to stand up against sun, rain, and wind, and deliver reliable, lasting performance. Note: This pendant plugs in to an outlet. Control and dim with an included remote.
