FreeForm T-Bar Ceiling 24VDC with Remote Power - Overstock

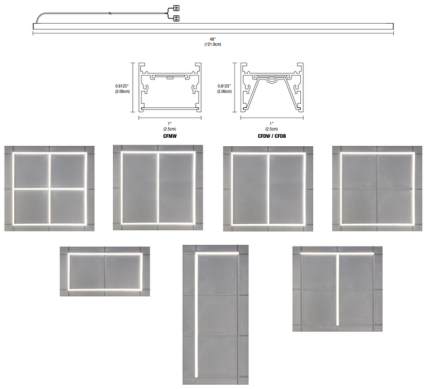

By PureEdge Lighting

Description

The FreeForm T-Bar Ceiling is made up of modular straight runs that allow you to create geometric shapes along the ceiling. Design by numbers with 48 inch channel length gives you the ability to design with any free form pattern that corresponds to the 2x2 or 2x4 T-bar drop ceiling grid, including the main T-Bar runner. FreeForm is offered with 7.5 watts per foot in 3500K Warm White or 3500K Cool White color temperature, White finish, and a Matte White 60 degree diffused low glare lens. Note: Mounting clips are included for every two feet of channel. Required power supply and optional accessories sold separately.

Shown in white / matte white lens
