Valentin Wall Light

By Corbett Lighting

DAMP

Description

Inspired by the glamour of the Art Deco era, the Valentin Wall Light catches and diffuses light through its elongated, shield-like form. A shimmering champagne piastra glass shade is detailed with vertical fluting and a delicate seeded texture, while decorative clasps reminiscent of fine jewelry secure the glass. Finished in vintage gold leaf, a solid rectangular backplate adds luster as it reflects light through the glass.

Shown in vintage gold leaf / champagne
