Agatha Linear Pendant

By Corbett Lighting

Description

Shimmering crystal segments hinge together to form the delicate draping of the Agatha Linear Pendant. Suspended from two ceiling points, each vintage brass-finished strand naturally follows the pull of gravity in a soft swag. Integrated LEDs illuminate the faceted K9 crystal, which is known for its exceptional clarity and brilliance. Hung solo or in groups, the Agatha scales beautifully into a multidimensional installation.

Shown in vintage brass / crystal

Specifications
